RE: 625 ILCS 5/15-316 Spring Weight Restriction Notice

Good Afternoon,

With the warming temperatures upon us we will be placing weight restrictions on several roads within the county once again. I will be keeping in constant contact with the township commissioners as to when we can pull these weight restrictions. The Townships with small truck restrictions are: Braceville, Erienna, Garfield, Goodfarm, Greenfield, Highland, Maine, Mazon, Nettle Creek, Norman, Saratoga, and Vienna. The remaining townships have no restrictions. Please check the attached maps to determine which of the township roads have restrictions.

Thank you for your cooperation with the weight restrictions during our spring thaw period.

Please let me know if you have any questions or concerns.

Please take receipt of this letter as the weight restrictions are in effect from February 1, 2023 until further notice.

Thank you,
